The Island County Assessor's office will be reviewing parcels at the South end of Whidbey Island this fall.

Inspection of revaluation area 4 is on our calendar this year and we will be visiting 1/6th of the county for our annual review. You can expect to see marked vehicles and appraisers with identification, walking your neighborhoods. We will be visiting the Useless bay area continuing our work to the most southern tip of Whidbey Island beginning Monday September 29-February 2015.

Should you have concerns please feel free to contact our office @ 360-679-7303.
